## Charging

You can recharge your Religious Content Player by the provided AC Adapter with the USB Mini-B (5-pin) male plug. The charging screen will be shown during charging.

## Trouble Shooting & Cautions

(1) If you found the Religious Content Player is operating normally in the Menu System but there is NO sound output at the loudspeaker at all during playback, please check if the mute button is enable. You should slide down the mute button to disable muting the loud speaker.

(2) If the Religious Content Player doesn't power on properly, please switch it to off position for 30 seconds and switch it on again.

(3) Please do not re-charge by any unpowered USB hubs.

(4) Do not switch On the Religious Content Player when there is extremely low power. This will drain out the Lithium battery and it may never re-charge again.
